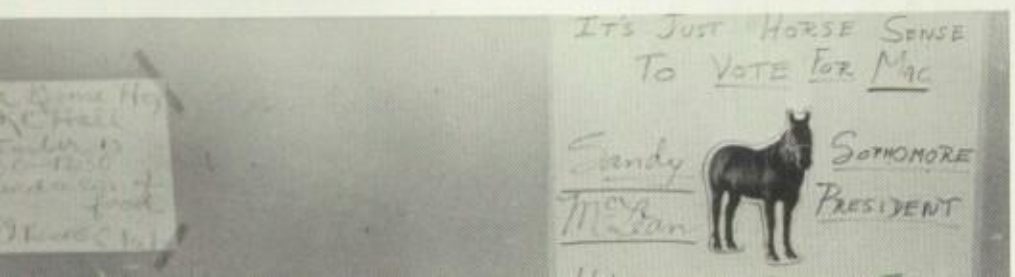
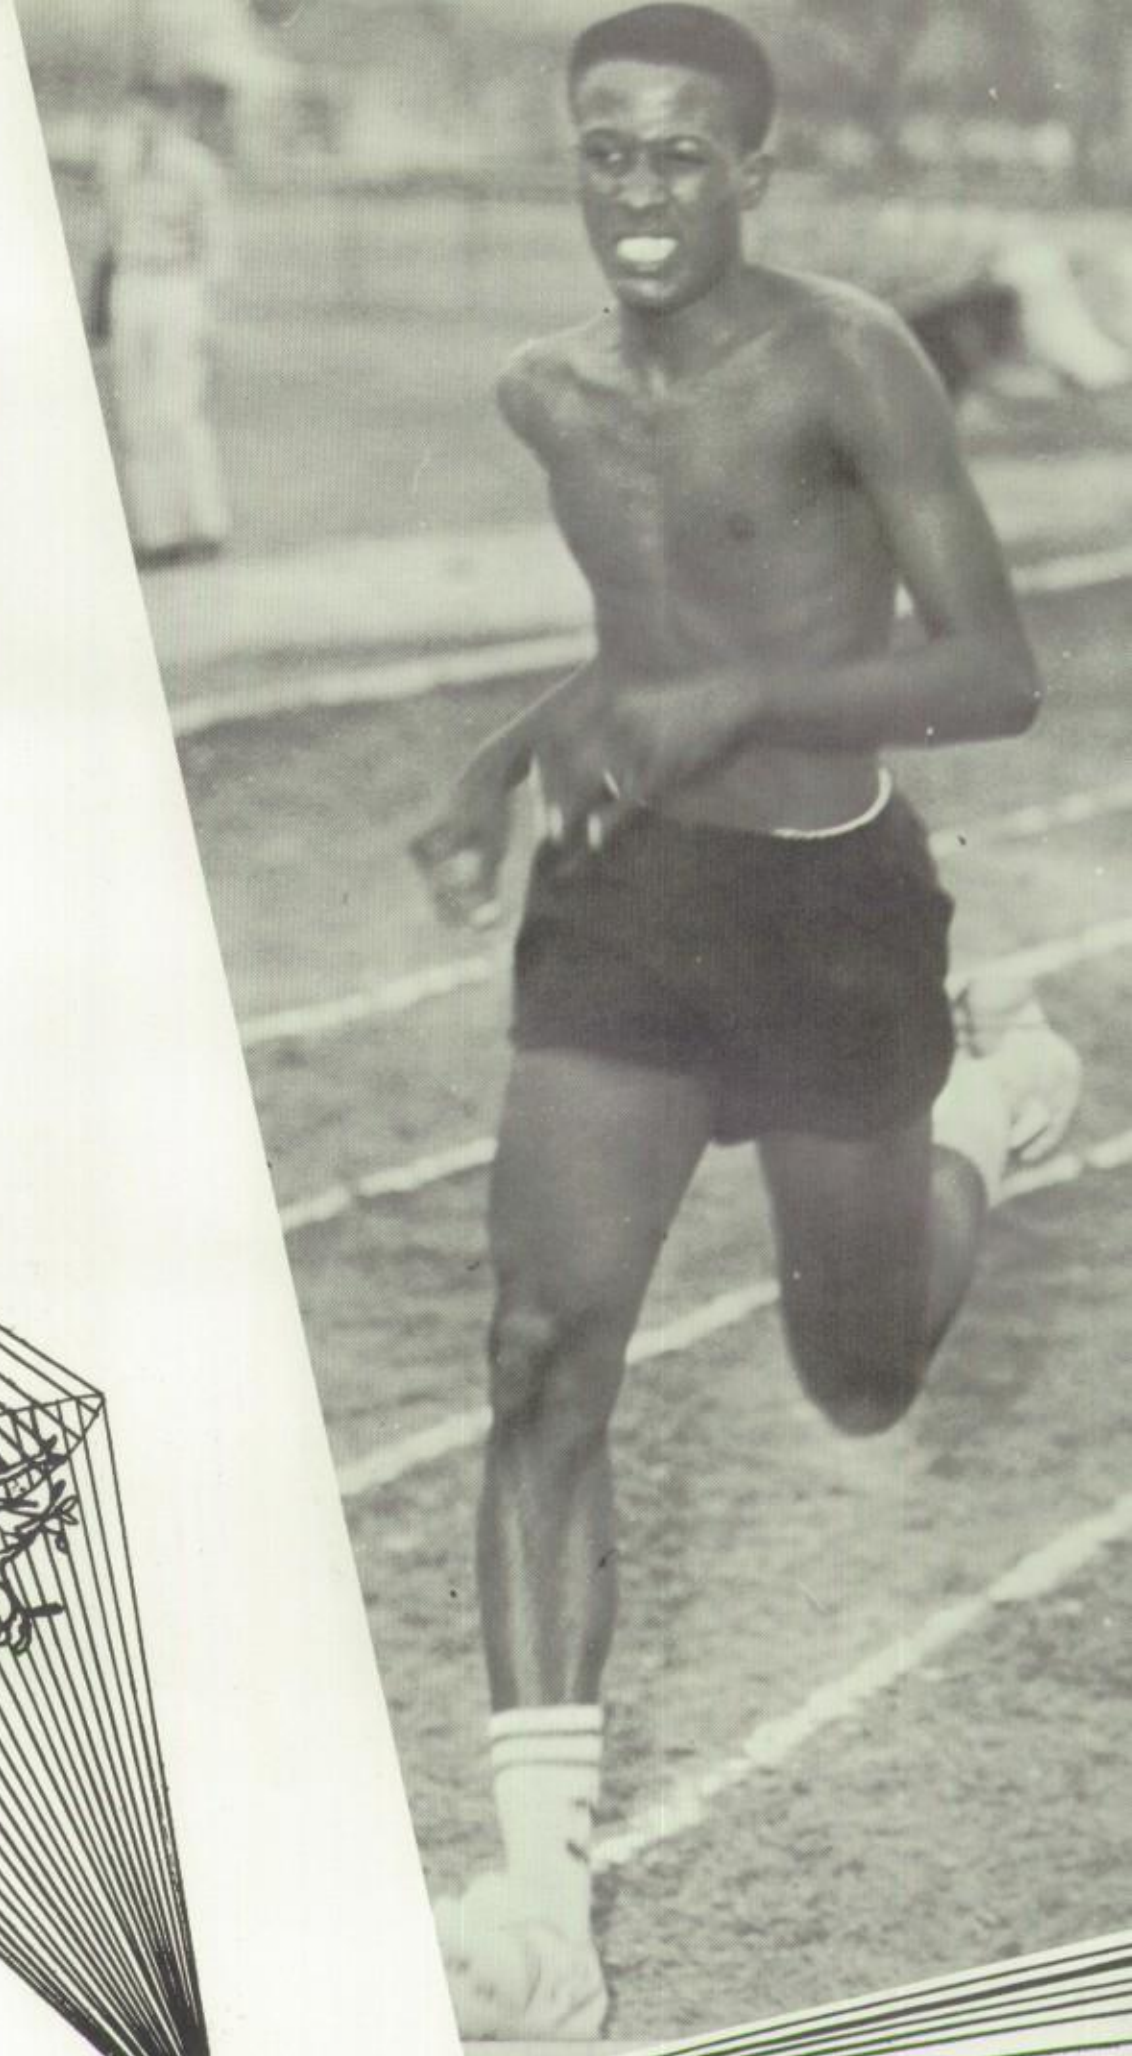
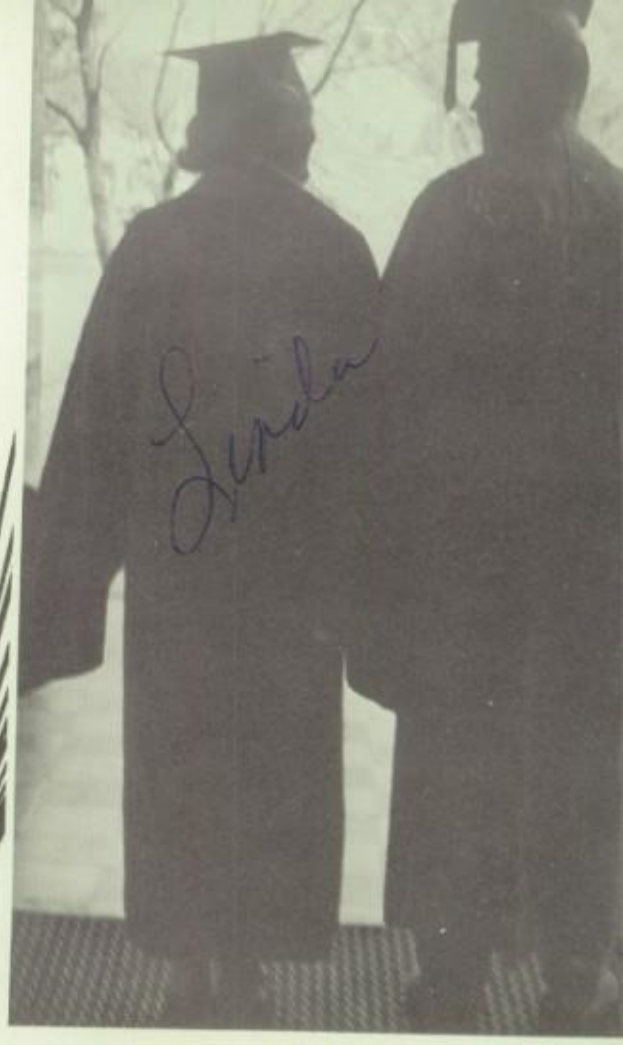
As the autumn leaves begin to fall,
And students turn from summer fun
To schoolroom walls;
Registration done, the year has begun.



Basketball season and Christmas cheer
Midterm finals and a new year soon to open
Brings cold chills and the winter is here
With the aid of knowledge each student
faces finals.



With the coming
of spring, we
enjoyed Jimmy and
his Sensations,
And a great deal of
relaxation
Yet we still had fun on
the run,
To all the things that
UIL can bring.



You can run and run
As fast as you can
Or merely stand and talk
But the only way to beat the heat
Is to graduate and walk.

In Honor of

JOHN F. KENNEDY

KINGSVILLE, TEXAS

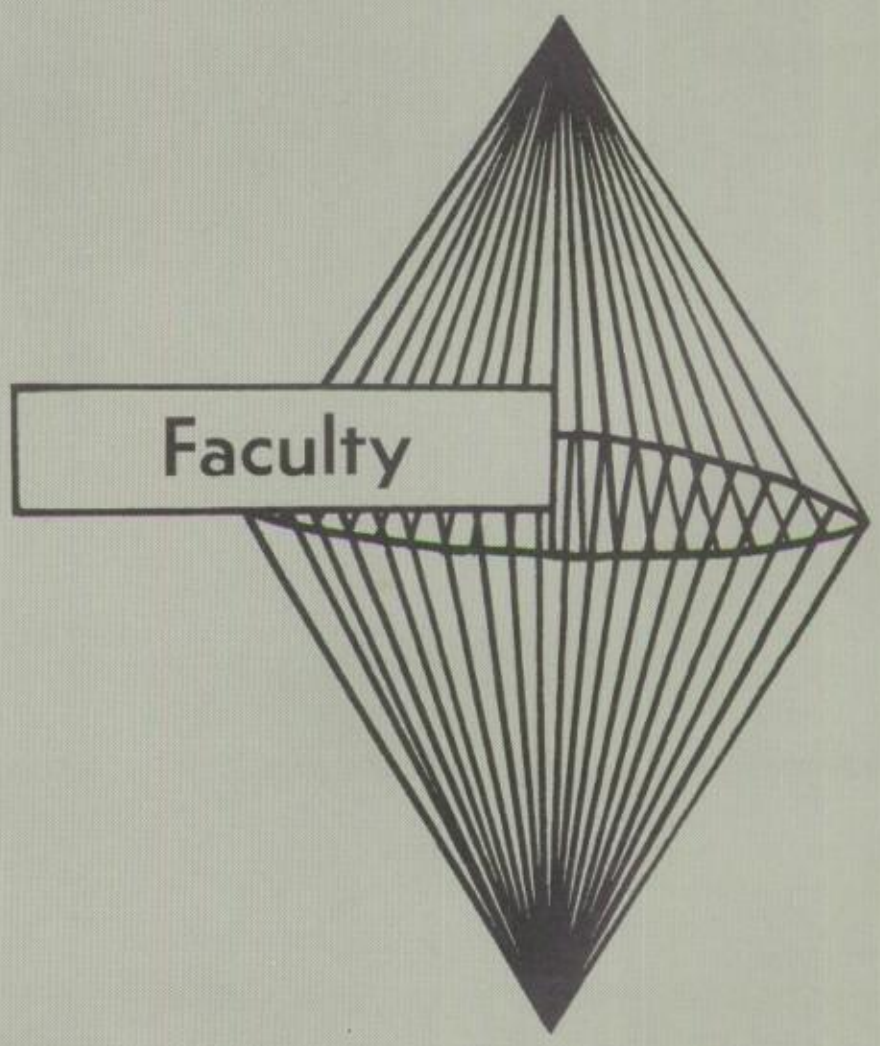
Jefe Sez

Among other accomplishments, our education and knowledge have enabled us to move overland faster than any animal. We can go through the water like fish, and can fly through the air like birds. We can orbit the earth like the planets.

As we continue to learn and progress, I pray that we also will **learn** to **walk** on the earth like **men.**

Paul Jones
(El Jefe)

"Of high ideals and virtue was his speech,
And gladly would he learn, and gladly teach."



The Administratio

Mr. John S. Gillett, superintendent

The administration is the most vital part of a school system. The people who make up this division are the builders of youth; for they set up the school system.

John Gillett, as superintendant of schools, is in charge of the main administration work. He executes the wishes of the school board.

The School Board, a Board of Education, makes the rules for Kingsville schools. This organization also decides how, when, and why school money should be distributed and spent.

School Board: First Row: Mr. Nick Harrell, Mrs. J. C. Jernigan, Mrs. T. J. Knight, Mr. Gene Rogers. Second Row: Mr. John Gillett, Mr. Bob Hope, Mr. Richard Wesbrook, Mr. M. L. Auten.

Provides Leadership

Mr. Paul Jones, principal, is in charge of the matters concerned primarily with King High, its problems, and its needs.

The Assistant Principal, E. R. Holland, helps Mr. Jones carry out his decisions and rules. Mr. Holland is also in charge of attendance.

Miss Mary Troy, King High's counselor, is the one who handles all problems that may arise concerning anything from personal ones to the administering of achievement tests.

Mrs. Kathleen Fish and Mrs. Thelma Peterson handle all secretarial work of the school office. This pair is in charge of attendance recording, all mimeograph work and anything else that may appear.

Language Arts Furthers Intellectual And Social Development . . .

A student may take courses in English, Spanish and Latin. This department also offers Speech and Journalism.

Physical Education Builds Strong Bodies and Strong Minds

Driver's education is designed to educate young people in automotive skills. To be able to pass this course the laws, rules, and driving ability required by the State of Texas must be completely mastered.

Besides a strong mind, a person entering the helter-skelter world of today needs a strong body which will hold up under stress and tension. Our health and physical education division helps build this strength of body through sports and proper exercise. Also taught is a six week's first aid course.

Vocational Subjects Encourag

Homemaking is the major ingredient in the recipe for "housewife." The three teachers instruct their students in cooking, sewing, interior decorating, child care, design, human relations, and etiquette.

Industrial Arts cultivates manual dexterity. Leather, metal, wood, and pre-engineering drawing work helps any future craftsman. The work done in this department is not only rewarding in a pleasurable sense, but many articles are useful as gifts or as a money making enterprise.

Agriculture is a stabilizing course. Presented in it are the correct facts about farm and ranch life. An interested student gains knowledge needed to follow a career in this field.

Human Relations And Self Realization . . .

Commercial courses are aides for achieving a business career. Typing, shorthand and bookkeeping are the very essence of secretarial work. A background in this line of study will insure a job for the girl or boy who has mastered these skills.

Students participating in the I.C.T. and D.E. program receive on the job training as part of their school day. Proficiency in the business world is developed in this cooperative arrangement with local business firms.

Student Cabinet

A school cannot function efficiently without an organized body to decide on and carry out the issues that may come up. The Student Cabinet fulfills this purpose at King High.

This body not only sponsors such school activities as Homecoming and student directories, but also carries on all necessary correspondence with other schools.

As special events come up, such as condolence letters to the Governor at the time of the Kennedy assassination, the Cabinet handles them.

To serve in this organization one must be elected a class officer or a club representative; and even though debate often becomes heated, all members can value their position on the Student Cabinet.

National Honor Society

The age of space is here and moving fast. This era is now and will continue to involve electronics, aeronautics, and space-age administrations.

Part of today's youth must be able to step into the roles of leaders and fulfill them. Some of the students, who will best be able to do these jobs, are today's members of the National Honor Society.

The students chosen for this organization were selected for their outstanding qualities and grades.

To be elected to this organization, sponsored by Mrs. Alice Bledsoe, one must maintain a B plus average and also have shown outstanding service, citizenship, and leadership.

Round-Up

Reporters: Sharon Awbrey, Brian Dunloy, JoAnn Glock, Jim Elam, Nancy Corbin, Sarah Barton, Kathy Butler, and Steve Burgh.

The Brahma Round-Up, published semi-monthly by the Journalism Class of Henrietta M. King High School, is the product of aspiring journalists who have learned the value of accuracy, conciseness, and an ability to deal with the public.

Checking beats, digging for facts, hurrying to meet deadlines, and learning the fundamentals of newspaper writing keep the Brahma Round-Up staff always on-the-go. A B-average in English and the ability to type combined with a desire to promote school spirit are the requirements for "crack reporters."

The Joy Chapter of the Future Homemakers of America is very active in many phases of school and community life. Among their varied projects are the annual Powder Puff football game, the Christmas open house, and the Sweetheart Ball. Each year the chapter sends delegates to both the State and Area meetings. Not only are they active during the school year, but these girls are also very busy during the summer.

FHA and FFA began the year with a joint barbecue and dance where they introduced their sweethearts, Joe Lipscomb and Terry Leslie.

It helps its members gain an understanding of the development and the purpose of the public schools in America. FTA provides its members with different experiences which develop the qualities and the attitudes which are basic to successful teaching. This club aids its members in self evaluation and lets them participate in pre-vocational activities which are both exploratory and developmental in nature.

The King High School FTA sponsors National Education Week and Teacher Education Week. The club members also help the teachers at King High School by grading papers.

The members of VIC 162, King High Building Trades Chapter of the Vocational Industrial Clubs of Texas learned the art of building and construction by building a bus garage to house the two old buses and the new bus that was purchased this year. This year VIC 162 is trying to hold the title of the outstanding vocational chapter in Texas as it enters area and state contests which test the proficiency of the members in vocational skills.

Training future leaders in the fields of marketing and distribution is the main objective of the DE program. Generally students attend classes in the morning and learn on-the-job skills and training from local merchants during the afternoon. It is the job of the DE coordinator to place the students in training stations which are best suited to their individual skills and interests. At these jobs they learn to appreciate the importance of sales distribution, management, and marketing.

Each year the two classes of DE combine to form a club which is affiliated with DECA, Distributive Education Clubs of America. They have breakfast meetings, elect officers and a sweetheart, and they attend state and national conventions.

The newly organized Drama Club gives the students an opportunity to perform before others and to learn to appreciate the art of drama.

For the first project the club presented the three-act play, "Dark at the Top of the Stairs." With their second play the members entered the UIL contests that were held in the spring.

C. Pack, C. Paulk, S. McMurray, K. Stutts, and S. Piper practice their lines for the play, "Dark at the Top of the Stairs" one last time before opening night.

Bulls Bail Pickers

Friday 13 brought bad luck to Robstown as the Cottonpickers found they were no match for the victorious Brahmas. The final score was 42-7.

The Bulls scored the first touchdown, but lost the conversion. Robstown, delivering a 62 yard pass and kicking a goal, was momentarily ahead, 7-6. With less than two minutes left in the first half, the Bulls ran through two fast touchdowns. The second half brought the Brahmas three more, including a fake pass which resulted in a spectacular 64 yard run around the left end. This was all brought about through great team effort and support.

Bulls Stomp Jerseys

Javelina Stadium hosted the second game of the '63 football season on September 20. The Falfurrias Jerseys played the King High Brahmas.

The field, wet from a full day's rain, made playing difficult. The ball was slippery, but the determined Bulls dominated it through most of the game. Though the Jerseys threatened the Brahma position several times during the first half, the second half gave the Bulls a definite lead and the game closed with Kingsville 27, Falfurrias 6.

Bulls Triumph Over Buffs

September 27 brought the King High Brahmas a smashing victory over the San Antonio Tech. Buffaloes. A Homecoming crowd of 5,000 witnessed the Bulls roll up 56 points against the struggling Buffs.

The Brahmas seemed to score almost at will—the first quarter bringing them 14 points. In the second quarter, a field goal was kicked to raise the score to 17. During the second half the Bulls charged through six touchdowns and completed three conversions for a final score of 56-0.

Tigers Take Bulls

Cross led the Mary Caroll Tigers to a 19-6 victory over the Kingsville Brahmas at Corpus Christi's Buccaneer Stadium, October 5. It was the first loss for the Bulls, and left Caroll undefeated.

Kingsville played without the services of Ruiz and Alvarez; Cortez was lost early in the game. These are not alibis, for Kingsville put up a hard-nosed fight and gained the admiration of both Corpus and Kingsville fans. Thanks to several completed passes, Smith was able to score the only Brahma touchdown from the one yard line.The score came with just 3:16 minutes remaining in the game.

Fullback Bobby Smith Squeezes Through Brack Line

Bulls Bump Brack

The Kingsville Brahmas upset the number one rated San Antonio Brackenridge Eagles by a score of 35-32 on October 11. This was Kingsville's second year in a row to defeat the state champions.

Kingsville took advantage of two Brack fumbles to put the Bulls in the lead 15-0. McVea, the Eagles' outstanding fullback, returned a 92 yard kickoff and kicked the extra point, closing the first quarter at 15-7. At the half, the score was 27-13. Neither team scored during the third quarter. In the final quarter, the Eagles ran three touchdowns with one conversion, and the Brahmas scored up the middle and ran the points. The Eagles fought desperately, but were unable to outscore the Bulls.

Bulls Squeak By Bobcats

Edinburg stunned the Brahmas when the Bobcats scored 8 points in the first 18 seconds of play. Kingsville scored late in the first quarter to tie the score.

In the second quarter three pass interceptions by each team sparked the play but the score remained unchanged.

Edinburg scampered 17 yards to score their second touchdown, putting the Bobcats ahead 15-8 in the third quarter.

With 1:03 left in the fourth quarter, Koenig passed to Watson to set up a touchdown made by Koenig. The point was a pass from Koenig to Watson to make it a 16-15 victory for the Brahmas.

Bulls Battle Eagles

Despite a slow, steady rain throughout the first quarter, the Brahmas managed to score a safety, and a 2-0 lead. Fumbles marred the early going, however the Eagles made a recovery on the Brahma 41, and marched to their only touchdown for a 8-2 half-time lead.

Two spectacular touchdowns delighted Kingsville fans during the second half, including a 44 yard scamper by quarterback Mark Koenig. The conversion fell short, leaving the score 8-8. Al Harris brought the stadium to its feet when the senior wingback picked off an Eagle pass, and sailed down the left sideline for a winning 76 yard touchdown; Koenig's pass fell incomplete. The final score was Kingsville 14, Brownsville 8.

Bulls Down Cardinals

The Kingsville Brahmas rolled over the Harlingen Cardinals, 41-0, as quarterback Mark Koenig passed three touchdowns, and guard Doroteo Rios kicked all the extra points.

The first half brought the Bulls 3 touchdowns. Rios blocked and recovered a Cardinal punt on their own 10 yard line. Blake Hamilton carried a Koenig pass across for the second Brahma touchdown. Later Koenig passed to Dwayne Nix who ran a 30 yarder as the clock ticked off the last four seconds of the first half.

The third quarter brought a touchdown by end Gilbert Alvarez. Cecilio Ruiz climaxed an 83 yard drive in the fourth quarter, and finally tailback Kermit Hodge made it another Kingsville victory.

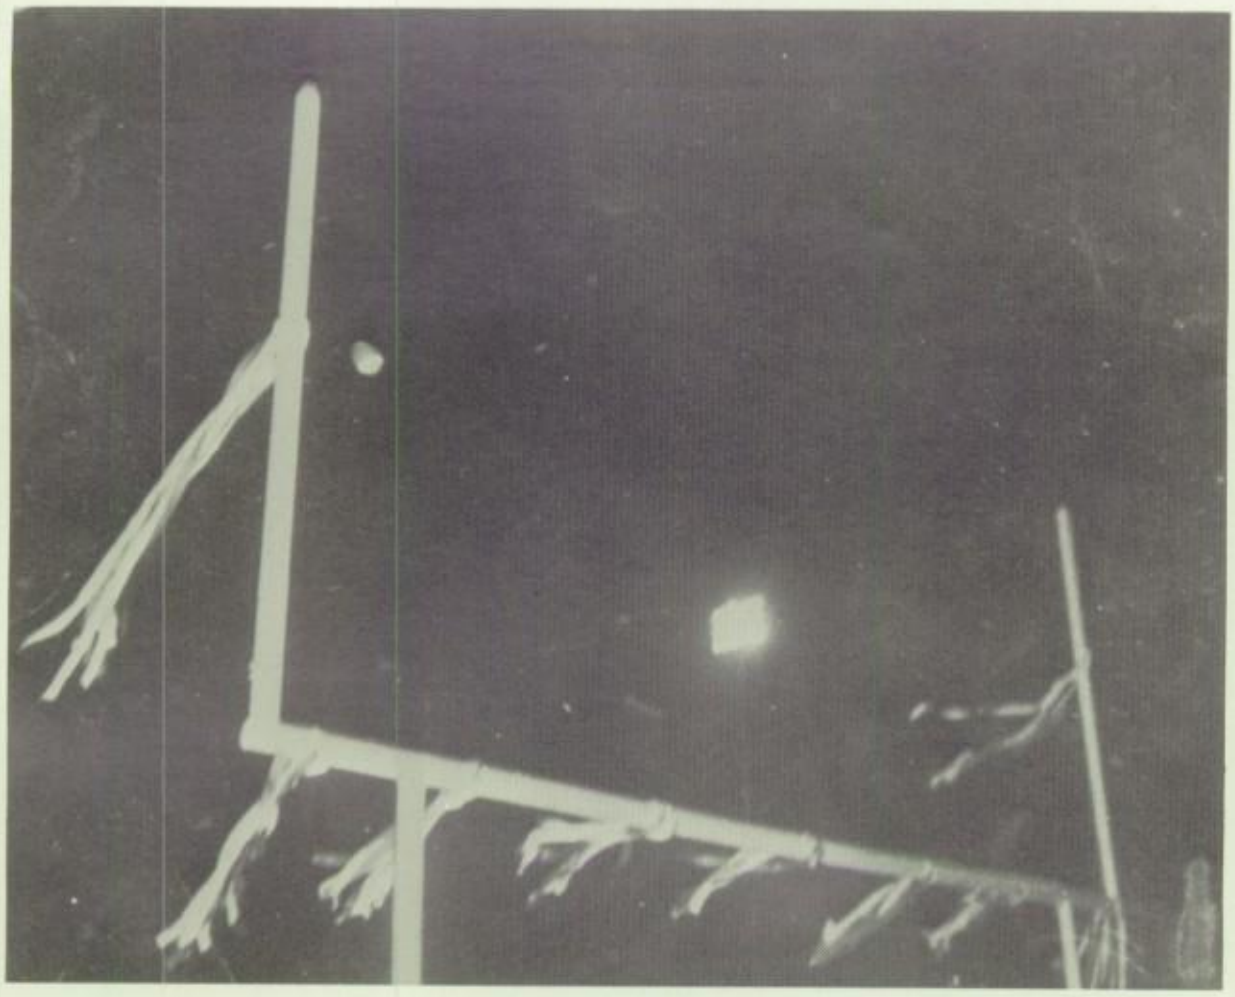
Rios boots it up and over.



Bulls Take Zone

Doroteo Rios booted a 30-yard field goal, clinching the South Zone for King High. A second-half comeback brought the rain-soaked Brahmas a 22-20 victory over the McAllen Bulldogs.

The soggy turf and a slippery ball threatened the Brahmas, as a 7-0 lead trailed 20-7 at half-time. Fullback Bobby Smith scored the only Kingsville touchdown during the first half.

The second half brought the determined Brahmas two touchdowns and Rios' field goal. Quarterback Mark Koenig made both touchdowns; one was a magnificent 76 yard run, pulling the Bulls within one point. The two point conversion attempt by Ruiz was stopped short. With a fourth down situation and one minute and three seconds left of play, a tense crowd watched Rios toe the ball through the outstretched arms of the goalpost for the winning margin.

Bulls Rip Coyotes

The Kingsville Brahmas, already sure of representing the South Zone in District 14 AAAA playoffs, rose to a 41-0 victory over the Alice Coyotes.

The Bulls took the opening kickoff 74 yards in 13 plays, typifying Kingsville's attack throughout the game, with Cecilio Ruiz taking it the last six yards to open the scoring. Ruiz scored again in the second quarter, and quarterback Mark Koenig passed to halfback Jim Elam for the third touchdown.

Guard Doroteo Rios tried for six extra-point kicks, and made five of them. He attempted a field goal after Elam dashed 22 yards, but it fell short.

Fullback Bobby Smith scored from one yard out, and Ben Cortez, halfback, scored from the two. Both were in the fourth quarter, concluding the Brahma touchdowns and a smashing victory for the Bulls.

Bulls vs Bucs

Miller combined its running and passing skills along with Kingsville's mistakes for a 35-9 victory as Corpus Christi's Buc Stadium hosted the 1963 District 14AAAA Championship Game on Friday, November 22.

Soon after the game got under way, Doroteo Rios recovered a Buc fumble on the 34 yard line; running into trouble on the 19, the Bulls again called on Rios for a field goal.

The Bucs took the kickoff and pounded 67 yards to score. A pass put them ahead, 8-3.

Kingsville fans were stunned when Miller intercepted a pass from quarterback Mark Koenig to Cecilio Ruiz on the Miller 5 and ran it back to the 46 before going out of bounds. The Bulls in turn gave the Bucs a jolt when Bobby Smith broke over the middle and lumbered 37 yards, finally to be brought down on the Miller 9 yard line.

Miller added another touchdown in the third quarter, then Brahma mistakes began to prove costly and Miller scored three more touchdowns in the final quarter.

The determined Brahmas, never giving up, showed that they had won South Zone and had a successful season by moving 75 yards for a touchdown, coming as the final seconds on the clock ran out. Koenig passed to Gilbert Alvarez on the 11 with less than 10 seconds left of play. The Bulls lined up quickly and again Koenig found Alvarez on the goal line. The conversion attempt was no good.

Though unable to claim a victory, the Brahmas received much praise. Perhaps Miller Coach Ragus best summed up the game with, "Kingsville is a real fine football team and played a very fine game. The score is no indication of the closeness of the game."

This group of boys, under the able direction of Coach William Mumford, travels many miles around the golf course in order to maintain the enviable reputation they have brought our school. For all we know King High may graduate another Arnold Palmer or Ben Hogan!

Under the capable direction of Coach Robert Lovelace, this earnest group of young tennis players spend many an hour practicing after school, so as to ably represent King High in tournament competition. Candidates

WHO'S

SHERI BULL: Although Sheri Bull is well known for her beauty, Miss Kleberg County 1962 has not let her looks ruin her blithe personality. Participating in poetry reading for UIL, serving as reporter of the Senior Class, and vice-president of the Student Cabinet, Sheri was drum major for the Brahma Band this year and led them to excellent scores in marching contest. A candidate for Homecoming Queen and Band Sweetheart, Sheri's agreeable, conscientious nature have won her many well deserved honors.

BOBBY SMITH: Bobby, a senior, a future Baylor star, a King High favorite of both faculty and students, centers his attentions primarily on athletics. This Who's Who repeater has excelled in track and football by rating the district team in football and going on to regional in track. Bobby finds time to participate in K-Club and Spanish Club and to maintain a high scholastic average for National Honor Society.

BOB BOYER: Bob Boyer can be described with a few words such as insatiable curiosity, wit, intelligence, independence, and confidence. This young man, a three-year member of NHS, is a Who's Who repeater, vice-president of the Senior Class, president of the Science Club, and managing editor of the Brahma Round-Up. Bob is also an active debater in both UIL competition and Student Cabinet. He can most always be found somewhere on campus working to better something.

JANET RHODE: Vivacious Janet Rhode once again claims Who's Who honors for her service, enthusiasm, and scholarship. As copy editor of the Brahma Round-Up, she reads for errors in every issue. Janet is active in FTA and Spanish Club (flamenco dancer, no less), has debated two years, and serves as Latin Club's Cabinet representative. A good student, Janet has been in NHS two years and was Stage Band accompanist in her sophomore year. All this plus ready wit rate her (using her own jargon) as "fairly cool." Her sterling character supported by high morals make her the shining example of the perfect KHS student.

JERRY ZWERNEMANN: Follow one tall, good-looking guy in a Kingsville FFA jacket and you're probably following Jerry Zwernemann. Past president and current treasurer of the King High Chapter of the Future Farmers of America, Jerry is interested in football as well as agriculture, and made his debut this season as an end for the Brahmas.

GILBERT ALVAREZ: To be chosen for captain of one's football team and the only Brahma to receive first team honors on both the offensive and the defensive for All-South Zone teams is indeed a high honor. Gilbert Alvarez, a three-year letterman, was so recognized. A senior, Gilbert will surely follow his high school career with an equally great college one.

WHO

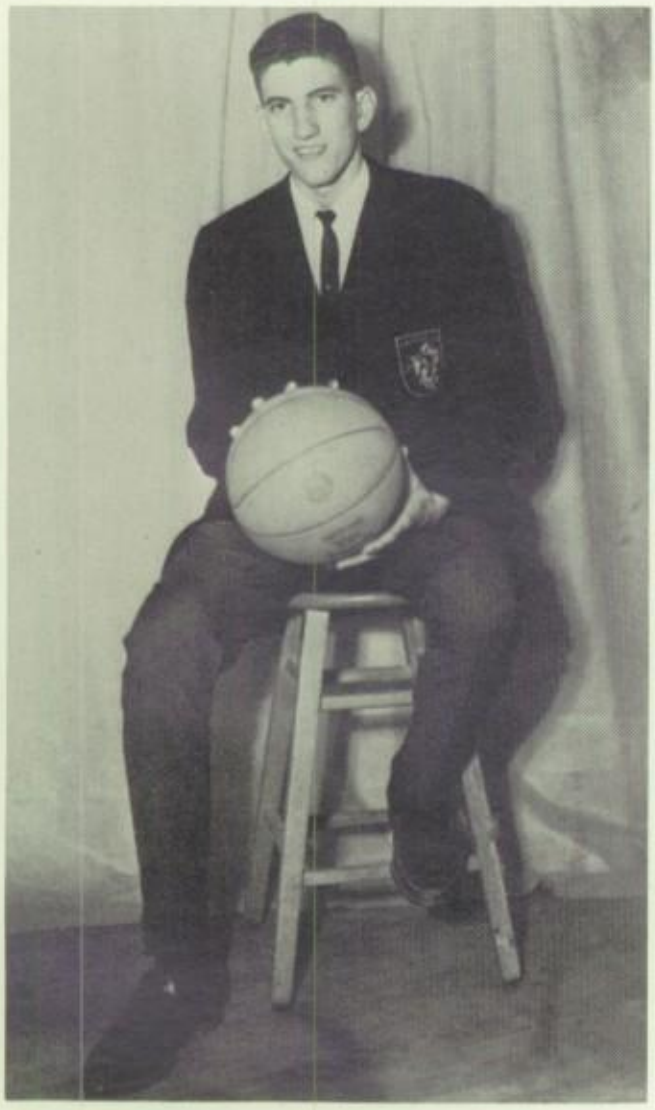
WHO'S

SUSI WILK: As a student and debater, Susi Wilk is a standout. Susi is Junior Class reporter, serves in the Student Cabinet, and is a hard working Brahmette. Her literary abilities came to the foreground during her sophomore year when several of her compositions were published in the Brahma Round-Up. This year her writing abilities have been well utilized as feature editor of the Round-Up and copy editor of the El Toro. Her literary skill was further recognized by appointment to Quill and Scroll.

JIM ELAM: Jim Elam, who's easy going personality and wit make him popular, is well known for the outstanding way he led the Brahmas to their many victories this season. Jim is also very active in track and is a member of the K-Club.

DAVID EARNEST: David Earnest is an active syllogistic disputator, a clarinest for the Brahma Band, and a straight A student. Working in FTA, debate, and Spanish Club, David's teachers know him as a serious and scholarly student. To his friends, David is that witty character with a good sense of humor who delights in choosing the unusual for a good time.

JANE HAUN: Those who have had the singular honor of working closely with Jane Haun marvel unanimously at her talent for managing efficiently. She has an uncanny ability to simply get things done, usually by effective organization but quite often by herself. She has excelled in homemaking, drama, and her studies. In student government, Brahmettes, club activities, and on the Brahma Round-Up Jane's abilities have been widely taxed. This yearbook, which she has edited, provides the best example of her efforts. Even though she does the work of ten and has traveled around the world, Jane is never too busy for a smile or a friendly word nor too tired for that special consideration of others which is the basis of her abilities.



BLAKE HAMILTON: Always sporting a shy grin, Blake is a sports enthusiast who has competed in football, basketball, and track for the Brahmas. Recently elected president of the K-Club, neat, agreeable, Blake is a definite asset to any class or organization. His good-humor and easy going nature combined with a drive that makes him above average scholastically earned him this Who's Who distinction.

PAT McGEE: Pat McGee, junior, is music from head to toe. An All-State Choir member for two years, golden-haired and golden-voiced Pat has been in orchestra, stage band, and band, is pianist for FHA, and organist for the First Methodist Church. She is a quiet, hard-working, and well-organized student who always has a friendly "Hi" for everyone.

WHO

WHO'S

CANDY PAULK: Candy Paulk, a popular senior known for her friendly personality and happy disposition, has been very active in her three years at King High. A two-year twirler for the Brahma Band, Candy has played the leading roles in the One-Act-Play for the past two years, and is the Student Cabinet Representative from the Drama Club. Candy contributes much to the school through her energetic service in Brahmettes, ICT, and Student Cabinet. She also served as Junior Class secretary-treasurer.

CECILIO RUIZ: Cecilio Ruiz has won many football honors since he entered King High. In his sophomore year, he captured a spot on the first All-District team for 15AAA and honorable mention on the All-State team. As a junior and the leading scorer for the South Zone of 14AAAA, he was chosen for the second All-South Zone team. This year a senior member of the Brahma zone championship team, Cecilio won first All-Zone team honors as halfback and third team honors for All-State. Besides these many outstanding records, Cecilio also runs track and sings with the chorus.

DONALD BLACK: Purposeful, philosophical, Donald Black is a senior characterized by his outstanding leadership ability. This year Donald presided over the Student Cabinet and the Student Body as he did last year over the Junior Class. A three-year football and track participant, Donald has also coached Powder Puff football. This Who's Who repeater has strong convictions and has made many contributions to King High.

MARGARET MOTE: Margaret Mote is one of two King High seniors to be recognized by the National Merit Scholarship Committee this year. Not only one of the smartest girls at King High, Margaret has sung her way to State Choir. A versatile student, Margaret is clever, serious, orderly, and is widely recognized for undying school spirit and support of the Brahmas.

NEILL DAY: A quiet smile and an intelligent answer characterize Neill Day. His pleasant attitude, willingness to help others, and conscientious efforts make him a favorite. Besides being a member of the Brahma Band and Brahma district championship team, Neill is an active leader in his church's youth group. His continuing effort to do the best that he possibly can in anything he attempts won this spot for Neill in Who's Who.

MARTHA MONTALVO: Pert and energetic Martha Montalvo is the epitome of King High school spirit. A cheerleader for two successive years, and this year serving as head cheerleader, Martha is also active as a Brahmette, counselor's assistant, Student Cabinet Representative, and Homecoming Queen candidate. Academically, Martha is also a class leader. Her classwork is neat, well organized and on time. Her manner is gracious, considerate, and friendly and surely being chosen for Who's Who is a well-deserved honor.

- Jimmy -

Of you're many numerous talents one of the greatest is making me mad, or shall I say depressing me. Besides that I'd say you're an indescribable person. I could say a bunch of things like you're wondrous, miraculous, suprising, mysterious, incomprehensible, marvelous, incredible, good-looking, brave, generous, cordial, gracious, good-humored, warmhearted. Oh gee, Jimmy I could go on & on but I'll just say that I think you great & although we've had a few differences I've tried to be nice. I do hope we can have a few more "bashes" (that means good times) in the future, 'cause I always enjoy being with you. Best of luck in the future.

Love,
Kathy

I don't know exactly where to begin. There is so much I could say, but I don't know exactly how to say it.

We've had so many good times together. At last I think so. I'll never forget the summer out at the Country Club. Those were some of the best days of my life.

Jimmy, you're one of the sweetest ones I have ever known. You are so considerate of others and are always so nice to everyone. I wish you the best of luck for you are surely one to deserve it. I've really enjoyed knowing you and going to school with you. May God Bless You.
